Programming Languages   ### Operating Systems & Software

Programming Languages		Operating Systems & Software
JavaScript	Java	Windows
HTML5/CSS3	C#	OSX
Python	Go	Linux (Debian, CentOS, Ubuntu)
PHP	C/C++	Vim
		Visual Studio
		Eclipse

I am very interested in data visualisation, especially interactive web-based visualisations. Many of my experiments and projects can be found on my personal site, ALLIGATR.CO.UK.
